Group Designations for Facility Rentals:

- Group 1 City of Avalon sponsored or cosponsored event or program; agencies with a reciprocal facility use and fee schedule; and governmental agencies (serving City of Avalon residents) for business meetings and programs.

- Group 2 Resident leagues or leisure classes (reoccurring weekly rental 8+ occurrences), resident small not-for-profit organizations (those whose budget is less than one million dollars annually).

- Group 3 Resident private use, resident large not-for-profit organizations (those whose budget is more than one million dollars annually), Nonresident not-for-profit organizations.

- Group 4 Resident commercial, business, and for-profit organizations.
- Group 5 Nonresident commercial, business, and for-profit organizations.

Explanation: Allows fee modifications to provide discounted rates for resident and non-profit groups that conduct special events. Provides clear groups so special requests do not get sent to City Manager’s desk.

1) Facilities Damage & Cleaning Deposit

Deposit: A cleaning and security deposit of \$200.00 is required for all rentals at Tremont Hall and J.M.F for up to 200 people.

For larger rentals the amount of the deposit for cleaning and damages will vary based on the facility and scope of event.

Insurance: The City requires all facility renters to obtain liability insurance naming the City of Avalon as additional insured as the property owner/lessor. The renter must obtain this on their own. The City of Avalon will assist in this process by providing a step-by-step guide on how to obtain the required insurance, which will include a list of affordable insurance agencies meeting our requirements. The renter no longer pays the fee to the City of Avalon as a pass through.
