MAKE SURE IT'S EMPTY, CLEAN, AND DRY!
One dirty product can contaminate an entire load of collected recyclables. This can cause thousands of recyclable items to go to a landfill instead of being recycled. Cleanliness is essential. Deposit your clean sorted recyclables into the Orange Bag or Blue Lid Cart.

The Avalon Environmental Carts pictured with a blue lid for recyclables, black lid for landfill, and optional green lid for green waste only are available upon request at no additional cost once every five years.

All ordered carts belong to the residence, not the resident.
