1) Facilities Damage & Cleaning Deposit

Deposit: Quote
The appropriate deposit for each facility will be determined by the Recreation Department Director

Note: Amount of deposit for cleaning and damages varies based on facility and scope of event. Separate certificate of liability insurance is required naming the City of Avalon as additional insured.

The City requires all facility renters to obtain liability insurance naming the City of Avalon as additional insured as the property owner/lessor. The renter must obtain this on their own. The City of Avalon will assist in this process by providing a step-by-step guide on how to obtain the required insurance, which will include a list of affordable insurance agencies meeting our requirements. The renter no longer pays the fee to the City of Avalon as a pass through.
