

CATALINA ISLAND

**REDUCE
REUSE
RECYCLE**

**YOUR SMALLEST
EFFORT MAKES A
BIG DIFFERENCE**

**HELP CATALINA BE
A GREEN ISLAND
IN A BLUE OCEAN**

DO YOUR PART.

Separate your recyclable materials, such as beverage containers, from the trash.

Simply place these items into the bin marked **RECYCLE** to ensure it does not end up in Avalon's landfill.

Use one of over 100 recycling bins found along the Avalon Harbor front and throughout our parks to separate and recycle plastic water bottles, soda cans and glass bottles.

IT STARTS WITH YOU.

Keep your recyclables out of our landfill, off our streets and out of the ocean.

The accessible bins make it easy and convenient.

THANK YOU
